

Tuesday Trivia at the Prov 8.00 pm in the Chameleon Bar

The Trivia

A mixture of fascinating questions about everything... popular culture, geography, history, films. We'll also play you some music questions.

We mix up the difficulty levels too – the questions are accessible to everybody but we'll have enough tough questions to keep you trivia buffs happy.

The aim of the night – to have a good time, a few laughs... and maybe win a drinks voucher or a \$50 food and drinks voucher.

The Host

Alan Lovett is an experienced entertainer and professional funny man. He has been invited to perform his quirky style of entertainment at such events as the prestigious Edmonton Street Performers Festival in Canada and the Cardiff Summer Festival in Wales. In the 1990s, he was a regular on the Canadian Fringe Festival circuit, performing across Canada and in San Francisco.

Alan writes the trivia questions that are printed inside the caps on Carlton Draught beer stubbies. Over the past 5 years, he's written over 4,000 of them!

He's also written a book! About trivia, of course. It's a how to run a trivia night sort of book: *Trivia Nights for Dummies*.
